

LED MR-16

FEATURES

- High intensity
- Great power efficacy
- Perfect size, replaces traditional MR16
- Patented birdcage heat dissipation system

BENEFITS

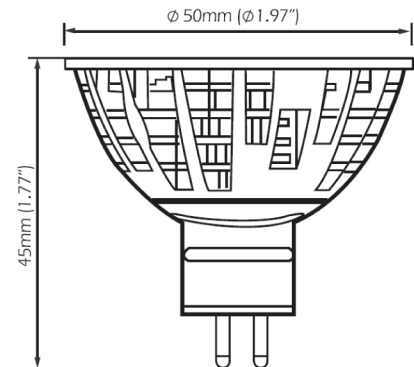

- Ready to replace existing halogen lamps
- Increases energy savings and shortens payback period
- Excellent thermal management increases reliability

OPTILED

Applications

- Track lighting
- Museum displays
- Hotels & Lobbies
- Restaurants, bars, pubs, cafe
- Elevators

GU 5.3 Base
